About Our Program

This one-week summer school is very unique in the sense that you can learn Japanese language and experience real and authentic local culture in Tokushima, such as Awa Dance and Indigo Dying, under the same program. In addition, we will have field trips where you can observe some sightseeing spots (ex. Whirlpool in Naruto City) and visit a factory in Tokushima. We will also have a campus tour and a couple of lectures on Tokushima cultures so that you can deepen your understanding about Tokushima.
