Dear my colleague,

Please find the invitation letter from the committee of 5th AIC-HHC in Cebu City, Philippines

Thanks

Dear **Chair of STIKes 'Aisyiyah Yogyakarta,**

The ASEAN Vision 2020, adopted by the ASEAN Leaders on the 30th Anniversary of ASEAN, agreed on a shared vision of ASEAN as a concert of Southeast Asian nations, outward looking, living in peace, stability and prosperity, bonded together in partnership in dynamic development and in a community of caring societies. Hence, a collaboration between health care providers is absolutely needed to minimize the gap in improving health care services. In order to deliver a better care to the clients, nurses need to build intercollaboration which will give assurance in understanding clients and considering humanized in caring. With this premise, Cebu Normal University - College of Nursing will be hosting the **5th ASIAN INTERNATIONAL CONFERENCE ON HUMANIZED HEALTH CARE (AIC-HHC) 2015 and International Conference of Nurses 2015 (ICoNS)** on **December 9-10, 2015** and **December 11, 2015** respectively at **Marco Polo Plaza Hotel, Lahug, Cebu City, Philippines**. These conferences will be for professional and student nurses and health caregivers. Its theme will be "**Humanized Health Care Beyond Borders and ASEAN 2015**".

This year's conference offers many opportunities for linkages and collaboration in research. Your participation and contribution will greatly influence the quality of nursing. In addition, this conference presents a forum for direct contact with many nursing educators and administrators. We would like to encourage your participation as one of our co-hosts.

Respectfully yours,
